+) In mid-2023 the Rockey4 dongles will be replaced by wyDay's LimeLM licensing system, for (S); TurboActive, and for (N); TurboFloat leasing. This system obligates a subscription with a rate of €8,00/year/licence.

One key is provided per pool for 1 or more users and can consist of a combination of several floor types and/or options. This means that another pool is created for every other combination.

*) Cost Calc. reinforcements and FP/FS Assembly table

**) At least from start 3 licences

All prices excl. VAT

Subscription 10%/year calculated on current prices above
